

Creating **Entrepreneurs**

With a Powerful New Business Platform

Entrepreneur Insurance Agency

Journey

We are excited for you to begin your journey as an Entrepreneur.

Purpose

With EIA, you'll be making a difference by helping people become properly protected and saving them money while building a business for yourself

Dream

For many, working for yourself is a dream. Let us be a part of your adventure and help chase that dream

A Business Platform as Unique as You

People from all backgrounds use our business platform to create successful insurance businesses

At EIA (Entrepreneur Insurance Agency), we make it easy for you to start and grow a personal lines insurance agency business (auto, home/condo/renters, motorcycle, boat, etc.) with more products to come

Low Start-Up Costs

- Only \$69.99 gets you started as an independent contractor
- EIA is not a franchise and does not charge any franchise fees
- Take advantage of the company's branding efforts by using EIA's name, logo and image to help build your business

No Insurance Experience Necessary

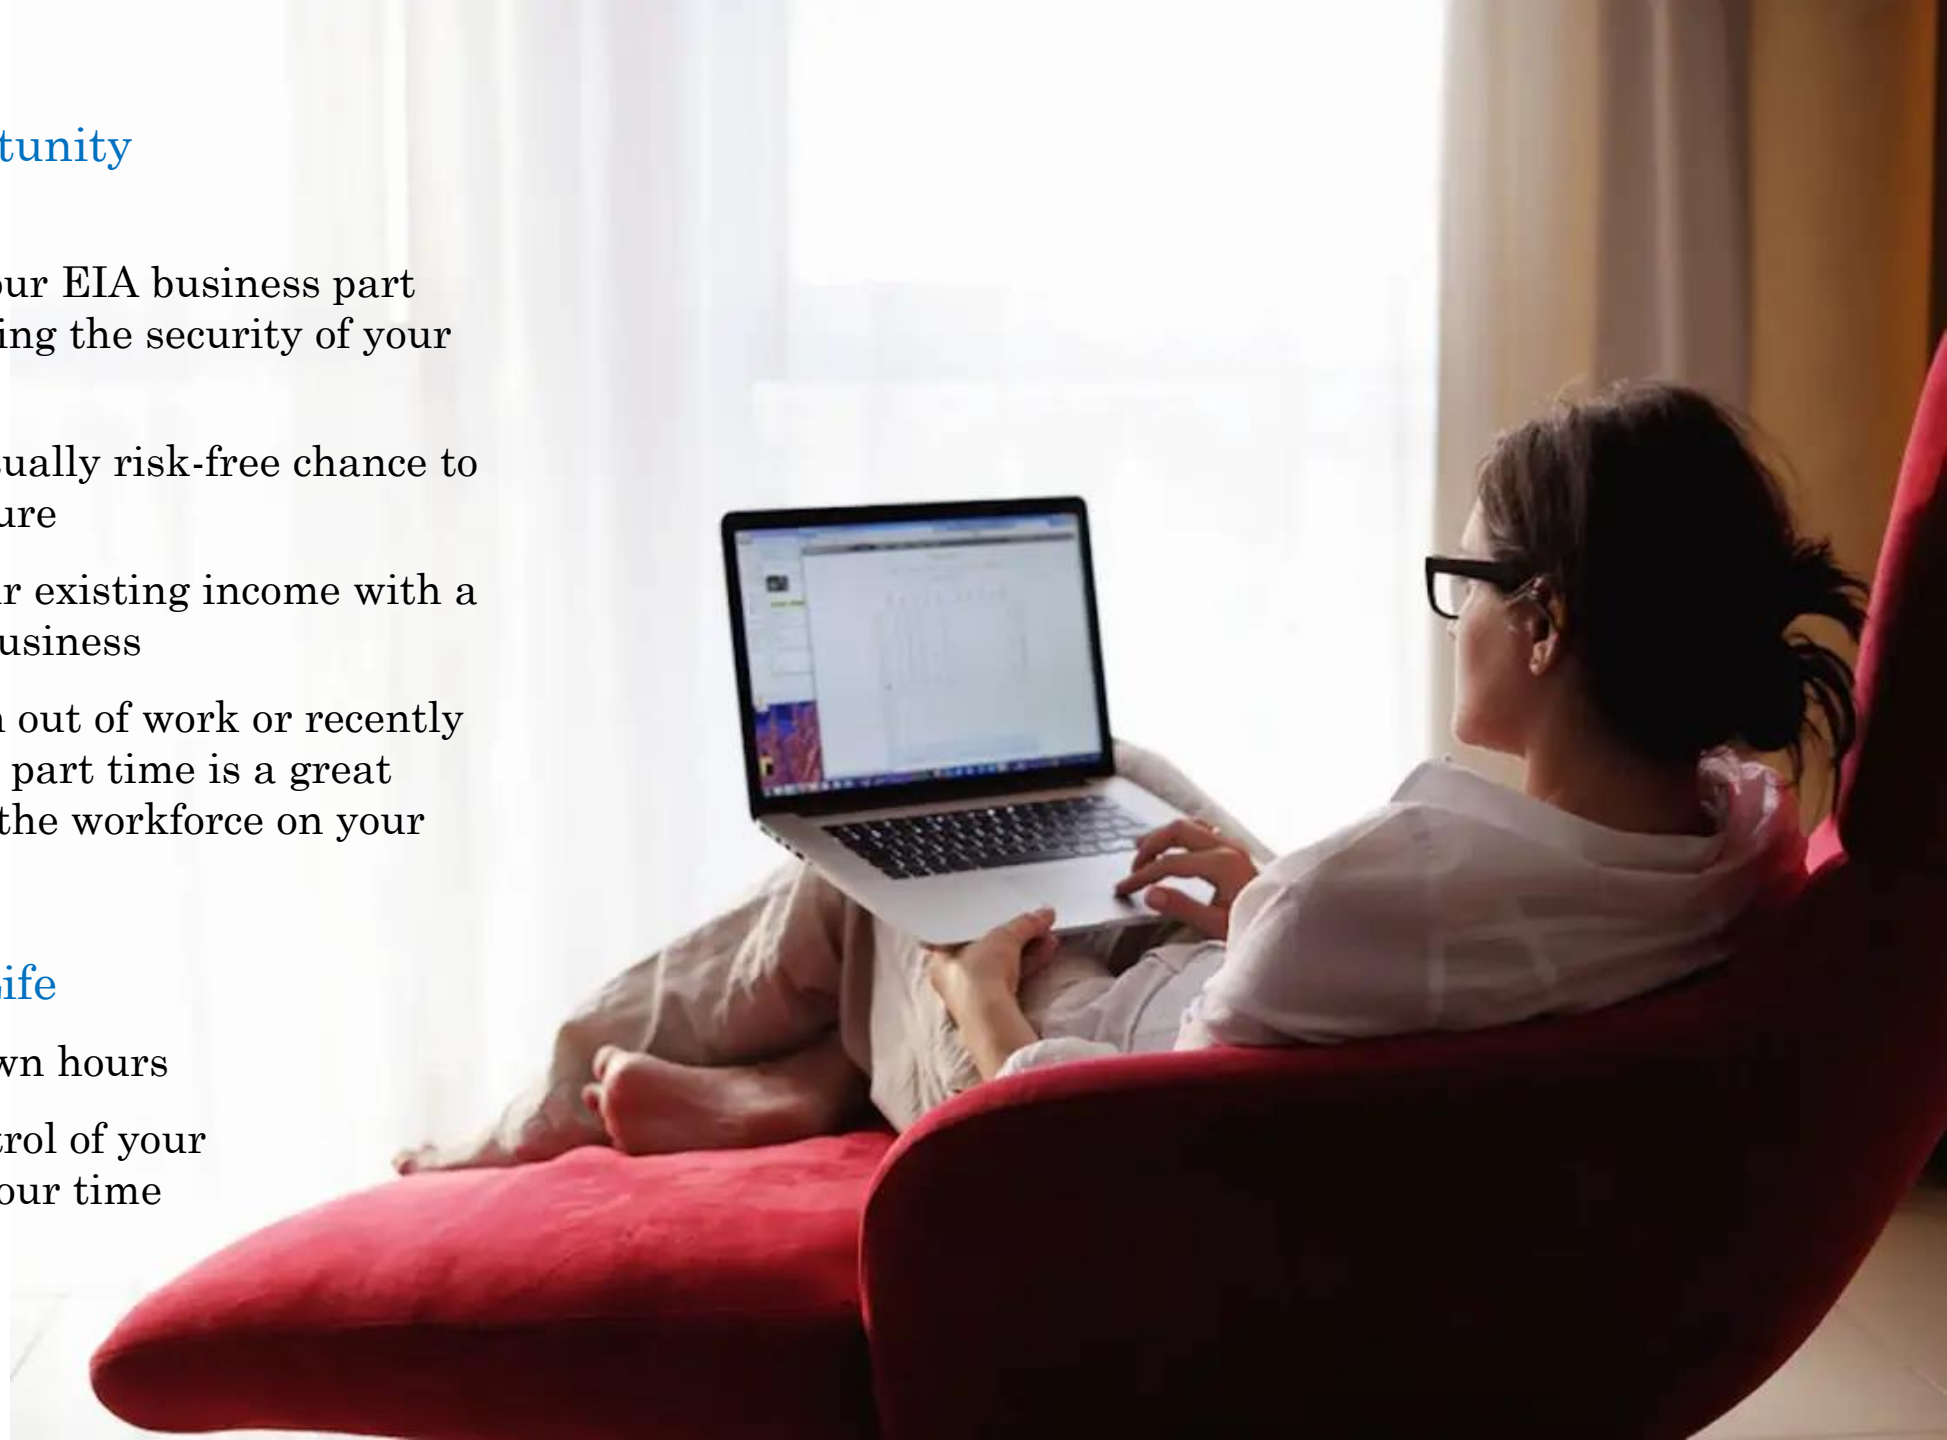

- EIA offers everyday people a platform that can help them change careers and build businesses of their own
- EIA entrepreneurs come from a variety of industries, careers and backgrounds
- Support and training programs, paired with your determination to build a strong business, help you succeed

Test Drive the Opportunity Start Part Time

- You can start your EIA business part time while keeping the security of your current job
- EIA offers a virtually risk-free chance to change your future
- Supplement your existing income with a part-time EIA business
- If you have been out of work or recently retired, starting part time is a great way to re-enter the workforce on your own terms

Balance Work and Life

- You set your own hours
- You are in control of your business and your time

Competitive Compensation

- EIA offers one of the most robust and competitive compensation programs in the industry
- Opportunities to build additional income are available through incentives

Earning Potential

- At EIA, your earning potential is determined by your drive and determination, and not by an arbitrary salary range
- You earn income from your and your team's hard work¹
- Recruit other entrepreneurs to grow the reach of your business¹
- With EIA, you can realize your full earning potential

Products People Need

- Our business is built on selling the products that are mandatory in most states or situations (auto, home, condo, renters, boat, etc.) making the sales conversation easier
- Save your customers money while you make income

Power of Choice

- Access to sell many of the industry's most respected companies
- Work when you want, as much as you want, from wherever you want

Sales – No Servicing

- In our business model, our entrepreneurs are sales only and the home office handles the billing and servicing
- Allowing you to focus on growing your business

Straight Forward Design

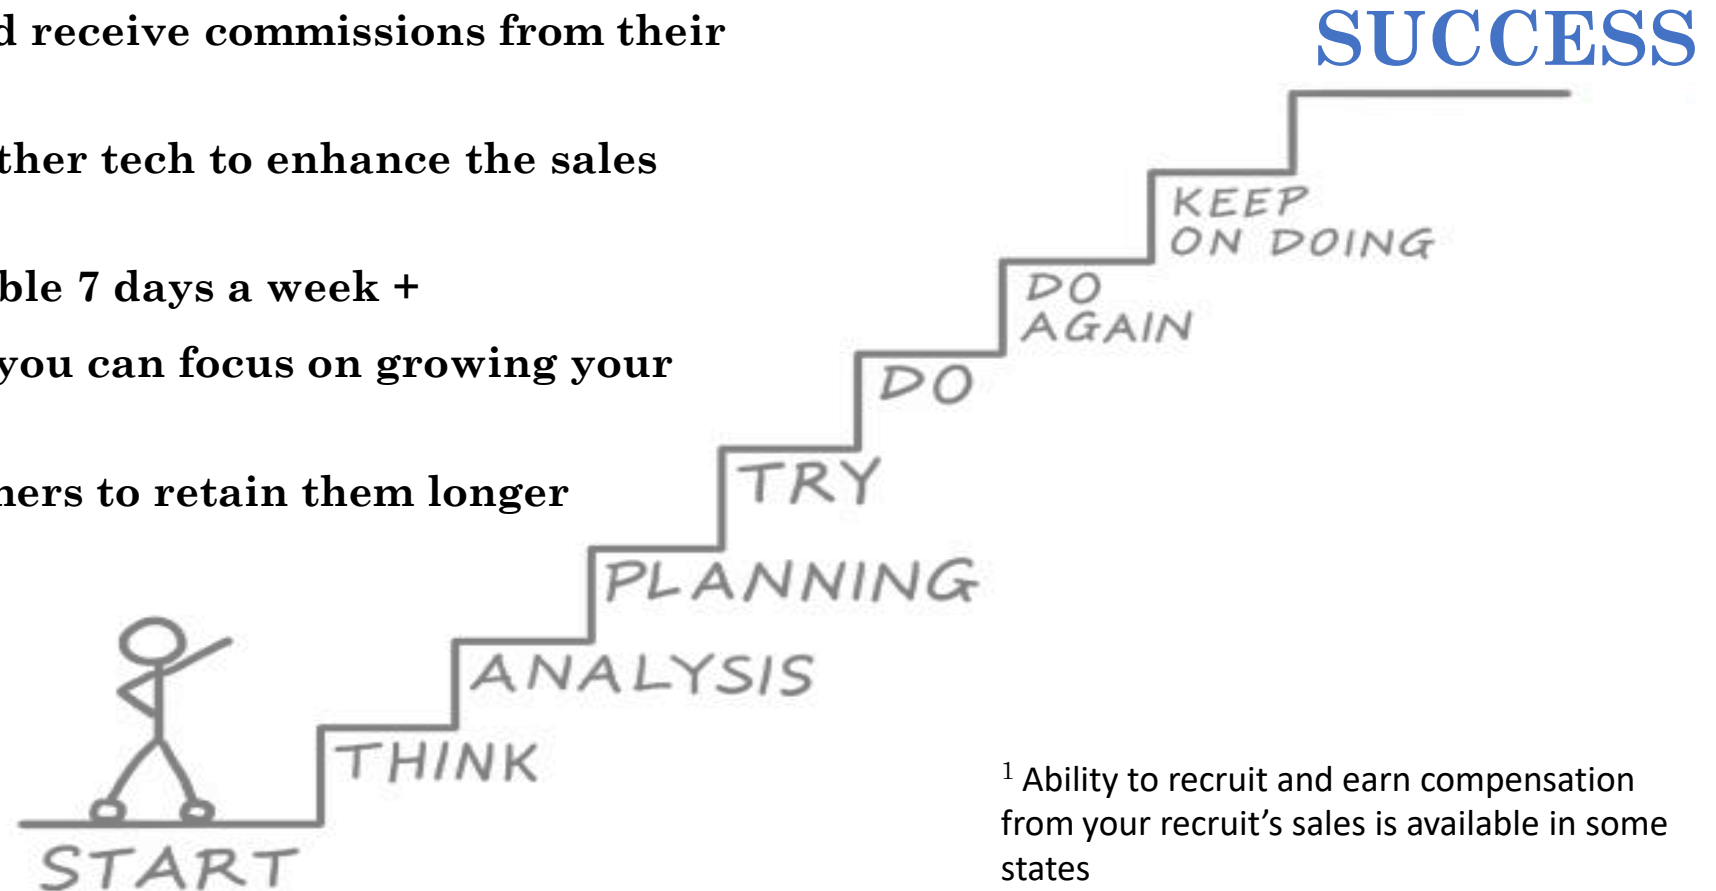

- No leveling up! Receiving the best commission rates from the start
- No sales quotas. Sell as much or as little as you like

¹ Ability to recruit and earn compensation from your recruit's sales is available in some states

Combining your effort and dedication with EIA's unique business model is a recipe for success

- Your effort and dedication +
- Products that are mandatory in most states and cases +
- Competitive commissions on your sales +
- Ability to build a team and receive commissions from their sales¹ +
- Comparative raters and other tech to enhance the sales process +
- Sales support team available 7 days a week +
- No billing or servicing so you can focus on growing your business +
- Technology for the customers to retain them longer

¹ Ability to recruit and earn compensation from your recruit's sales is available in some states

You are in
control of your
business and
your future
